

Percent of ELL K-12th graders in the 2017-2018 school year by district

**FOOTNOTE** | This measure shows the percent of students by race/ethnic group, income status, etc.. Numerator = Students meeting the selected group criteria. Denominator = All enrolled students between kindergarten and 12th grade.. Bar graphs above show data for the 2017-2018 School Year. **SOURCE(S).**OSPI Report Card Data Files+. Sup\* = Suppression. To protect student privacy, data is suppressed for student groups with fewer than 10 students. An additional layer of suppression is applied in cases where only one subgroup has fewer than 10 students.
